

Announcement: Collaboration in Ink Manufacturing & Distribution

ENCRES DUBUIT is thrilled to announce a strategic collaboration in manufacturing and distribution of ink in our commitment to innovation and growth. We have joined forces with SCHILLING INC. to enhance our manufacturing and distribution capabilities and drive sustainable development.

This partnership brings together our expertise in ink design and manufacturing with Schilling Inc's renowned proficiency in print-screens and inks. By leveraging synergies, cutting-edge technologies, and shared values, we aim to:

1. **Enhance Product Quality:** By integrating advanced manufacturing processes and quality control measures, to ensure products of the highest standards.
2. **Increase Operational Efficiency:** Through optimized workflows and resource utilizations, to streamline operations improving productivity and cost effectiveness.
3. **Foster Innovation:** Our collaboration fosters a culture of innovation, empowering us to pioneer new solutions to meet market demands.
4. **Coordinated Supply Chain Management:** Seamless integration of supply chain processes will optimize efficiency, minimize lead times and enhance responsiveness.
5. **Commit to Sustainability:** With a shared commitment to environmental stewardship, we prioritize sustainable practices throughout our manufacturing processes.

ENCRES DUBUIT is also pleased to announce that SCHILLING INC. has been appointed as the exclusive distributor of our products in the United States and Canada.

Alexandra Taulin, Chief Executive Officer of Encres Dubuit said "This partnership is a crucial step in expanding our market presence and making our products more accessible to customers. Schilling Inc. brings a wealth of experience and a robust distribution network, which will be instrumental in driving our sales growth in the region."

"We are thrilled to partner with a company like Encres Dubuit. This collaboration underscores our dedication to delivering exceptional value and innovation to our customers" said Douglas Schilling, Chief Executive Officer of Schilling Inc. "Together, we look forward to shaping the future of manufacturing, driving growth, and making a positive impact on the industry."

The entire Dubuit and Schilling inks teams have been working for many months to make this collaboration a success.

Effective 1st of August 2024, all manufacturing and supply chain operations will be transferred from Roselle IL to Schilling Inc. in Galion OH.
